¿Qué es el formulario para jubilados de RxCare?

Un formulario es una lista de medicamentos cubiertos seleccionados por Retiree RxCare en consulta con un equipo de proveedores de atención médica, que representa las terapias recetadas que se consideran una parte necesaria de un programa de tratamiento de calidad. Retiree RxCare cubrirá generosamente los medicamentos enumerados en nuestro formulario siempre y cuando el medicamento sea médicamente necesario, la receta se surta en una farmacia de la red Retiree RxCare y se sigan otras reglas del plan. Para obtener más información sobre cómo surtir sus recetas, revise su Evidencia de cobertura.

¿Puede cambiar el formulario (lista de medicamentos)?

La mayoría de los cambios en la cobertura de medicamentos ocurren el 1 de Enero, pero Retiree RxCare puede agregar o eliminar medicamentos en la Lista de medicamentos durante el año, moverlos a diferentes niveles de costos compartidos o agregar nuevas restricciones. Debemos seguir las reglas de Medicare al hacer estos cambios.

Cambios que pueden afectarlo este año: En los siguientes casos, se verá afectado por los cambios de cobertura durante el año:

- Nuevos medicamentos genéricos. Podemos eliminar inmediatamente un medicamento de marca en nuestra Lista de medicamentos si lo reemplazamos con un nuevo medicamento genérico que aparecerá en el mismo nivel de costos compartidos o más bajo y con las mismas o menos restricciones. Además, al agregar el nuevo medicamento genérico, podemos decidir mantener el medicamento de marca en nuestra Lista de medicamentos, pero immeditar lo a un nivel diferente de costos compartidos o agregar nuevas restricciones. Si actualmente está tomando ese medicamento de marca, es posible que no le informemos con anticipación antes de realizar ese cambio, pero más adelante le proporcionaremos información sobre los cambios específicos que hemos realizado.
 - o Si hacemos tal cambio, usted o su médico pueden pedirnos que hagamos una excepción y continuemos cubriendo el medicamento de marca por usted. El aviso que le proporcionamos también incluirá información sobre cómo solicitar una excepción, y puede encontrar información en la sección a continuación titulada "¿Cómo solicito una excepción al formulario de RxCare para jubilados?"
- Medicamentos retirados del mercado. Si la Administración de Alimentos y Medicamentos considera que un medicamento en nuestro formulario no es seguro o el fabricante del medicamento retira el medicamento del mercado, eliminaremos inmediatamente el medicamento de nuestro formulario y notificaremos a los miembros que toman el medicamento.
- Otros cambios. Podemos hacer otros cambios que afecten a los miembros que actualmente toman un medicamento. Por ejemplo, podemos agregar un nuevo medicamento genérico para reemplazar un medicamento de marca actualmente en el formulario o agregar nuevas restricciones al medicamento de marca o moverlo a un nivel diferente de costos compartidos o ambos. Podemos hacer cambios basados en nuevas guías clínicas. Si eliminamos medicamentos de nuestro formulario, o agregamos autorización previa, límites de cantidad y / o restricciones de terapia

escalonada en un medicamento o movemos un medicamento a un nivel más alto de costo compartido, debemos notificar a los miembros afectados del cambio al menos 30 días antes de que el cambio entre en vigencia, o en el momento en que el miembro solicite una recarga del medicamento, momento en el cual el miembro recibirá un suministro de 30 días de la droga.

o Si hacemos estos otros cambios, usted o su médico pueden pedirnos que hagamos una excepción y continuemos cubriendo el medicamento de marca por usted. El aviso que le proporcionamos también incluirá información sobre cómo solicitar una excepción, y también puede encontrar información en la sección a continuación titulada "¿Cómo solicito una excepción al formulario de Retiree RxCare?"

Cambios que no le afectarán si actualmente está tomando el medicamento. En general, si está tomando un medicamento en nuestro formulario 2024 que estaba cubierto a principios de año, no suspenderemos ni reduciremos la cobertura del medicamento durante el año de cobertura 2024, excepto como se describe anteriormente. Esto significa que estos medicamentos permanecerán disponibles con el mismo costo compartido y sin nuevas restricciones para aquellos miembros que los tomen por el resto del año de cobertura. No recibirá aviso directo este año sobre cambios que no lo afecten. Sin embargo, el 1 de enero del próximo año, tales cambios lo afectarían, y es importante verificar la Lista de medicamentos para el nuevo año de beneficios para cualquier cambio en los medicamentos.

¿Cómo uso el formulario?

Hay dos maneras de encontrar su medicamento dentro del formulario:

Dolencia

El formulario comienza en la página 1. Los medicamentos en este formulario se agrupan en categorías dependiendo del tipo de condiciones médicas que se utilizan para tratar. Por ejemplo, los medicamentos utilizados para tratar una afección cardíaca se enumeran en la categoría "Cardiovascular, hipertensión / lípidos". Si sabe para qué se usa su medicamento, busque el nombre de la categoría y en la lista que comienza en la página 1. Luego busque debajo del nombre de la categoría de su medicamento.

Listado alfabético

Si no está seguro de en qué categoría buscar, debe buscar su medicamento en el Índice que comienza en la página 119. El Índice proporciona una lista alfabética de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca como los genéricos se enumeran en el Índice. Busque en el índice y encuentre su medicamento. Junto a su medicamento, verá el número de página donde puede encontrar información de cobertura. Vaya a la página que aparece en el Índice y busque el nombre de su medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

Retiree RxCare cubre tanto medicamentos de marca como medicamentos genéricos. Un medicamento genérico está aprobado por la FDA como que tiene el mismo ingrediente activo que el medicamento de marca. En general, los medicamentos genéricos cuestan menos que los medicamentos de marca.

¿Hay alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos adicionales o límites en la cobertura. Estos requisitos y los límites pueden incluir.

Autorización previa: Retiree RxCare requiere que usted o su médico obtengan información previa Autorización para ciertos medicamentos. Esto significa que deberá obtener la aprobación de Retiree RxCare antes de surtir sus recetas. Si no obtiene la aprobación, es posible que Retiree RxCare no cubra el medicamento

Límites de cantidad: Para ciertos medicamentos, Retiree RxCare limita la cantidad del medicamento que El jubilado RxCare cubrirá. Por ejemplo, Retiree RxCare proporciona 30 tabletas por 30 días durante Zolpidem tartrato 10mg. Esto puede ser adicional a un suministro estándar de un mes o tres meses.

B/D: Este medicamento requiere una autorización previa para determinar si el medicamento está cubierto por la Parte B de Medicare o la Parte D de Medicare. Se requiere información adicional de usted o de su médico para hacer una determinación antes de que pueda surtir su receta. Si no obtiene la aprobación, Retiree RxCare puede no cubrir el medicamento y usted será responsable del costo total del medicamento o de enviar el medicamento a su plan de salud de Medicare.

Puede averiguar si su medicamento tiene algún requisito o límite adicional buscando en el formulario que comienza en la página 1. También puede obtener más información sobre las restricciones aplicadas a medicamentos cubiertos específicos visitando nuestro sitio web. Hemos publicado en línea un documento que explica nuestra autorización previa y las restricciones de la terapia escalonada. También puede solicitarnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha en que actualizamos el formulario por última vez, aparece en las portadas y contraportadas.

Puede pedirle a Retiree RxCare que presente una excepción a estas restricciones o límites o una lista de otros medicamentos similares que pueden tratar su condición de salud. Consulte la sección "¿Cómo solicito una excepción al formulario de Retiree RxCare?" en la página siguiente para obtener información sobre cómo solicitar una excepción.

¿Qué pasa si mi medicamento no está en el formulario?

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con nuestro Centro de contacto y preguntar si su medicamento está cubierto.

Si se entera de que Retiree RxCare no cubre su medicamento, tiene dos opciones:

- Puede solicitar a nuestro Centro de contacto una lista de medicamentos similares que están cubiertos por Retiree RxCare. Cuando reciba la lista, muéstresela a su médico y pídale que le recete un medicamento similar que esté cubierto por Retiree RxCare.
- Puede pedirle a Retiree RxCare que haga una excepción y cubra su medicamento. Consulte a continuación para obtener información sobre cómo solicitar una excepción.

¿Cómo solicito una excepción al formulario de RxCare para jubilados?

Puede pedirle a Retiree RxCare que haga una excepción a nuestras reglas de cobertura. Hay varios tipos de Excepciones que puede solicitarnos que hagamos.

Puede pedirnos que cubramos un medicamento incluso si no está en nuestro formulario. Si se aprueba, este medicamento estará cubierto a un nivel predeterminado de costos compartidos, y usted no podrá solicitarnos que le proporcionemos el medicamento a un nivel de costos compartidos más bajo.

Puede solicitarnos que cubramos un medicamento del formulario a un nivel de costo compartido más bajo, si este medicamento no está en el nivel de especialidad. Si se aprueba, esto reducirá la cantidad que debe pagar por su medicamento.

- Puede solicitarnos que renunciemos a las restricciones o límites de cobertura de su medicamento. Por ejemplo, para ciertos medicamentos, Retiree RxCare limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede pedirnos que renunciemos al límite y cubramos un montaje mayor.

Generalmente, Retiree RxCare solo aprobará su solicitud de excepción si los medicamentos alternativos incluidos en el formulario del plan, el medicamento de menor costo compartido o las restricciones de utilización adicionales no serían tan efectivas para tratar su condición y / o causarían efectos médicos adversos.

Debe comunicarse con nosotros para solicitarnos una decisión de cobertura inicial para una excepción de restricción de formulario, niveles o utilización.

Cuando solicite un formulario, organización por niveles o restricción de utilización, debe presentar una declaración de su médico o médico que respalde su solicitud. En general, debemos tomar nuestra decisión dentro de las 72 horas posteriores a la recepción de la declaración de respaldo de su médico. Puede solicitar una excepción acelerada (rápida) si su médico cree que su salud podría verse seriamente perjudicada al esperar hasta 72 horas para tomar una decisión. Si se concede su solicitud de aceleración, debemos darle una decisión a más tardar 24 horas después de que recibamos una declaración de respaldo de su médico o de su médico.

¿Qué hago antes de poder hablar con mi médico acerca de cambiar mis medicamentos o solicitar una excepción? Como miembro nuevo o continuo en nuestro plan, es posible que esté tomando medicamentos que no están en nuestro formulario. O bien, puede estar tomando un medicamento que está en nuestro formulario, pero su capacidad para obtenerlo es limitada. Por ejemplo, es posible que necesite una autorización previa de nosotros antes de poder surtir su receta. Debe hablar con su médico para decidir si debe cambiar a un medicamento apropiado que cubramos o solicitar una excepción al formulario para que cubramos el medicamento que toma. Mientras habla con su médico para determinar la forma correcta de acción para usted, podemos cubrir su medicamento en ciertos casos durante los primeros 90 días que sea miembro de nuestro plan.

Para cada uno de sus medicamentos que no esté en nuestro formulario o si su capacidad para obtener sus medicamentos es limitada, cubriremos un suministro temporal de 30 días (a menos que tenga una receta escrita por menos días) cuando vaya a una farmacia de la red. Después de su primer suministro de 30 días, no pagaremos por estos medicamentos, incluso si ha sido miembro del plan menos de 90 días.

Si usted es residente de un centro de atención a largo plazo, le permitiremos volver a surtir su receta hasta que le hayamos proporcionado un suplemento de transición de 30 días, consistente con el incremento de dispensación, (a menos que tenga una receta escrita por menos días). Después de su primer suministro de 30 días, no pagaremos por estos medicamentos, incluso si ha sido miembro del plan menos de 90 días. Si necesita un medicamento que no está en nuestro formulario o si su capacidad para obtener sus medicamentos es limitada, pero ha pasado los primeros 90 días de membresía en

nuestro plan, cubriremos un suministro de emergencia de 30 días de ese medicamento (a menos que tenga una receta por menos días) mientras busca una excepción de fórmula.

Para los miembros actuales, que están en un centro de atención a largo plazo o que están pasando por cambios en el nivel de atención, Retiree RxCare permitirá un suministro de medicamentos para hasta un mes.

Ejemplos de cambios en el nivel de atención pueden incluir:

Alta de un hospital a un entorno domiciliario (es decir, vida asistida, atención a largo plazo (LTC) o hogar privado) acompañada de una lista de medicamentos que no siempre pueden considerar la lista de medicamentos del plan debido a la naturaleza a corto plazo de la visita al hospital.

- Terminación de una estadía en un centro de enfermería especializada de la Parte A de Medicare (donde los pagos incluyen todos los cargos de farmacia)
- Desafiliación de hospicio
- Dejar una estadía en un centro de atención a largo plazo y regresar a la comunidad
- Alta de hospitales psiquiátricos con regímenes de medicamentos que son altamente individualizados
